

The logo for ION PHARMA features the word "ION" in a blue, stylized font where the letter 'O' is a circle with three lines extending from it, resembling a molecular structure. To the right of "ION" is the word "PHARMA" in a bold, dark blue, sans-serif font. Below "PHARMA" is the tagline "MEDICINE FORWARD" in a smaller, dark blue, sans-serif font. The background consists of a light gray molecular structure with hexagonal rings and connecting lines, overlaid on a white background.

# LIDOCORE™

Say Hello To LidoCore! our innovative flexible Lidocaine 4% Transdermal Patch. Specially designed to target and alleviate localized pain.

STRENGTH	FORM	CONTAINER	FILL VOLUME	UNITS PER PACK	NDC	UPC
Lidocaine 4%	Patch	Box	10 Patches	1	82944-100-10	
Lidocaine 4%	Patch	Pouch	Single	1	82944-103-01	

# METHYL SALICYLATE 10%

Methyl salicylate relieves musculoskeletal pain in the muscles, joints, and tendons by stimulating the superficial nerves from the same spinal segment that supplies pain signals in the affected areas, causing vasodilation in that spinal segment which reduces the cause of pain in the deeper muscles and joints.
